

Lorelei

Lorelei is a brothel in [Spynhem](#), [Kaedwen](#).^[1]

History

In 1229, it was run by Madame [Pampinea Monteforte](#). Like many brothels, she protected clients' privacy and would outwardly make it clear [witchers](#) weren't allowed to partake in the brothel's services, owing to many men having negative views of witchers to the point many refused to be with a girl that had been with a witcher. However, the brothel had a secret entrance at the rear of the building to allow special clients to come by discreetly, including witchers. The only requirement Pampinea had was that any girls that did slept with a witcher client had to keep quiet about it, lest they lose their job.
